

# Lana Del Rey, Diet Mtn Dew

You're no good for me  
Baby you're no good for me  
You're no good for me  
But baby I want you, I want you

Diet mountain dew, baby, New York City  
Never was there ever a girl so pretty  
Do you think we'll be in love forever?  
Do you think we'll be in love

Diet mountain dew, baby, New York City  
Can we get it now low, down and gritty  
Do you think we'll be in love forever?  
Do you think we'll be in love

Baby put on heart shaped sunglasses  
Cause we gonna take a ride  
I'm not gonna listen to what the past says  
I've been waiting up all night

Take another drag turn me to ashes  
Ready for another lie?  
Says he's gonna teach me just what fast is  
Say it's gonna be alright

Diet mountain dew, baby, New York City  
Never was there ever a girl so pretty  
Do you think we'll be in love forever?  
Do you think we'll be in love

Diet mountain dew, baby, New York City  
Can we get it now low, down and gritty  
Do you think we'll be in love forever?  
Do you think we'll be in love

Let's take Jesus off the dashboard  
Got enough on his mind  
We both know just what we're here for  
Saved too many times

Maybe I like this roller coaster  
Maybe it keeps me high  
Maybe the speed it brings me closer  
I could sparkle up your eye

Diet mountain dew, baby, New York City  
Never was there ever a girl so pretty  
Do you think we'll be in love forever?  
Do you think we'll be in love

Diet mountain dew, baby, New York City  
Can we get it now low, down and gritty  
Do you think we'll be in love forever?  
Do you think we'll be in love

You're no good for me  
Baby you're no good for me  
You're no good for me  
But baby I want you, I want you

You're no good for me  
Baby you're no good for me  
You're no good for me  
But baby I want you, I want you, I want you

Diet mountain dew, baby, New York City  
Never was there ever a girl so pretty  
Do you think we'll be in love forever?  
Do you think we'll be in love

Diet mountain dew, baby, New York City  
Can we get it now low, down and gritty  
Do you think we'll be in love forever?  
Do you think we'll be in love

Diet mountain dew, baby, New York City  
Never was there ever a girl so pretty  
Do you think we'll be in love forever?  
Do you think we'll be in love

Baby stoppin' at seven eleven  
There in his white Pontiac heaven  
Do you think we'll be in love forever?  
Do you think we'll be in love

Diet mountain dew, baby, New York City  
Never was there ever a girl so pretty  
Do you think we'll be in love forever?  
Do you think we'll be in love

Diet mountain dew, baby, New York City  
Can we get it now low, down and gritty  
Do you think we'll be in love forever?  
Do you think we'll be in love

You're no good for me  
Baby you're no good for me  
You're no good for me  
But baby I want you, I want you
