

# Lana Del Rey, Get Free

Finally  
I'm crossing the threshold  
from the ordinary world  
to the reveal of my heart  
undoubtedly  
that will for certain  
Take the dead out of the sea  
and the darkness from the arts

this is my commitment  
my modern manifesto  
I'm doing it or all of us  
who never got the chance  
for... and for...  
and all my birds of paradise  
who never got to fly at night  
cause they were caught up in the dance

sometimes it feels like I;ve got a war un my mind  
I want to get off, but I keep riding the ride  
I never really noticed that I had to decide  
to play someone's game or live my own life  
and now I do  
I wanna move  
out of the black  
into the blue

finally  
gone is the burden  
of the crowding way of being  
that comes from energies combined  
like my part was I  
was not discerning  
And you as we found out  
Were not in your right mind

there's no more chasing rainbows  
and hoping for an end to them  
their arches are illusions  
solid at first glance  
but then you try to touch them  
there's nothing to hold on to  
the colors used to lure you in  
and put you in a trance

sometimes it feels like I;ve got a war un my mind  
I want to get off, but I keep riding the ride  
I never really noticed that I had to decide  
to play someone's game or live my own life  
and now I do  
I wanna move  
out of the black  
into the blue  
out of the black  
into the blue  
out of the black  
into the blue
