

Lana Del Rey, Jon Batiste Interlude

Oh
Oh I feel something right now
I feel it, I feel it, I feel it early
Ooh, woohoo, I feel it early and I feel it late, hahaha
Yeah, I feel it, I feel it
Hahaha
I feel it heavy, hahaha

I feel it heavy, hahaha, I feel it all now, hahaha
Ah, oh, whoa, woo, you came for ..
Oh my God

Yeah, ooh, whoa
You're my honey
You're my honey
Ooh-ooh
Oh, I feel it in my soul
I feel it in my soul
I can feel it all over
Early in the morning
Early in the morning
Hey, early in the morning
That's pretty too, how about that?
Yeah, that too
