

# Lana Del Rey, Let Me Love You Like a Woman

I come from a small town, how 'bout you?  
I only mention it 'cause u am ready to leave L.A.  
And i want you to come  
Eighty miles Nort hor South will do  
I don' care where as long as you're with me  
And i am with you and you let me

Let me love you like a woman  
Let me hold you like a baby  
Let me shine like a diamond  
Let me be who I'm meant to be  
Talk to me in poems and songs  
Don;t make me be bittersweet  
Let me love you like a woman  
Let me hold you like baby  
Let me hild you like a baby

I come from a small town far away  
I only mention it 'cause i am reasdy to leave L.A.  
And i want oyu to come  
I guess i could manage if you stay  
It's just if you do i can't see myself having any fun, so

Let me love you like a woman  
Let me hold you like a baby  
Let me shine like a diamond  
Let me be who I'm meant to be  
Talk to me in songs and poems  
Don;t make me be bittersweet  
Let me love you like a woman  
Take you to infinity  
Let me hold you like a baby  
Take you to infinity  
Let me love you like a woman  
Take you to infinity

We could get lost in the Purple rain  
Talk abiut the good ald days  
We could get high on some pink choanapge  
Baby, let me count the waves

Let me love you like a woman  
Let me hold you like a baby  
Let me shine like a diamond  
Let me be who I'm meant to be  
Talk to me in poems and songs  
Don;t make me be bittersweet  
Let me love you like a woman
