

# Lana Del Rey, Peppers (feat. Tommy Genesis)

Hands on your knees, I'm Angelina Jolie  
Hands on your knees, Angelina Jolie  
Lemme put my hands on your knees, you can braid my hair  
Do a fat criss cross in the back somewhere, ha

Me and my boyfriend listen to the Chill Peppers  
We write hit songs without trying like all the time, all the time  
I take off all my clothes, dance naked for the neighbors  
I'm like, "Fuck it, gonna give a show", I open up the blinds

I threw caution to the wind, get on to the bike  
Take a minute to yourself, skinny dip in my mind  
I'm in love, I'm in love  
Got a knife in my jacket, honey, I'm divine  
Baby, I'll bring the coffee if you bring the wine  
I'm in love, I'm in love  
Ah

Hands on your knees, I'm Angelina Jolie  
Hands on your knees, Angelina Jolie  
Lemme put my hands on your knees, you can braid my hair  
Do a fat criss cross in the back somewhere, ha

I sit upskirt, I don't have much to lose  
I got a truck, I take it for a midnight, a midnight drive, yeah  
My boyfriend tested positive for COV-, it don't matter  
We've been kissing, so whatever he has, I have  
I can't cry

I threw caution to the wind, get on to the bike  
Take a minute for myself, skinny dip in my mind  
I'm in love, I'm in love  
Ah
