

# Lana Del Rey, Queen Of Disaster

What you do to me is indescribable  
Got me sparkling just like an emerald  
Send my soul on fire and make me wild like the deep blue sea  
No other boy ever made me feel beautiful  
When I'm in your arms, feels like I have it all  
Is it your tattoos or golden grill that makes me feel this way?

You got me spinning like a ballerina,  
Feeling gangsta every time I see ya  
You're the king and baby I'm the queen of disaster, disaster  
Got me spinning like a ballerina,  
You're the bad boy that I always dreamed of  
You're the king and baby, I'm the queen of disaster, disaster

My mascara thick, I think I'll get emotional  
You know I was more than just a party girl?  
Isn't hard to see what's going on, I'm so far gone

When I saw your face it was incredible  
Pin it on my soul it was indelible  
Let's celebrate our twisted fate, we're the broken ones

Got me spinning like a ballerina,  
Feeling gangsta every time I see ya  
You're the king and baby, I'm the queen of disaster, disaster  
Got me spinning like a ballerina,  
You're the bad boy that I always dreamed of  
You're the king and baby, I'm the queen of disaster, disaster

Ladies and gentlemen, for the very first time?.

You got me spinning like a ballerina,  
Feeling gangsta every time I see ya  
You're the king and baby, I'm the queen of disaster, disaster  
Got me spinning like a ballerina,  
You're the bad boy that I always dreamed of  
You're the king and I'm the beauty queen of disaster, disaster
