

# Lana Del Rey, Summer Bummer (ft. A\$AP Rocky)

It's never too late  
To be who you wanna be  
To say what you wanna say  
It's never too late  
To leave if you wanna leave  
Or stay, if you wanna stay  
But, baby  
I got a feeling in my bones  
Can't get you out of my veins  
You can't escape my affection  
Wrap you up in my daisy chains

Hip-hop in the summer  
Don't be a bummer babe  
Be my undercover lover, babe  
High tops in the summer  
Don't be a bummer babe  
Be my undercover lover, babe

A\$AP:

Her sophistication makes you wanna quit the bitch you dating  
Let's skip the games  
Let's quit the playing  
Boo, let's get acquainted  
Notifications sync in place even when we're on vacation  
I know she'd notice like I missed the payment, dang it  
But bang it like my fingers  
She pray to God I made it  
But banking like my Frankilns  
My neighbors stiopped the hating  
What  
Huh?  
Slide inside  
Diddy Bopping  
Milly Rocking  
She just might become my lover for real  
I might fuck with her a;;; summer for real  
They better not holla if I cuff her for real  
Niggas better run for cover for real  
Going bell how I feel  
Close the deal  
Pop a seal  
Take the whip, two pills on the lips on the real  
Truthfully between you and me I;n usually single  
When it's hot outside this  
I ride through any hood with the top out  
Hop out

Hip-hop in the summer  
Don't be a bummer babe  
Be my undercover lover, babe  
High tops in the summer  
Don't be a bummer babe  
Be my undercover lover, babe

White lights and black beaches  
Miles in between us  
Is this love or lust oor some games on repeat?  
It's like making me crazy  
Tell me, have patience  
Baby, I need this  
White lines and black beaches  
White lights and black beaches  
And blood red sangrias

We traveled for weeks  
Just to escape your demons  
But you've got your reasons  
I'm making crazy  
But you've got your reasons  
White lights and black beaches

Like doves in the summer  
Don't be a bummer /3x

Hip-hop in the summer  
Don't be a bummer babe  
Be my undercover lover, babe  
High tops in the summer  
Don't be a bummer babe  
Be my undercover lover, babe

--
