## Lana Del Rey, Text Book

I guess you could cal lit tekst book I was looking for the father I wanted back

And i thought i found in Brentwood
It seems only approriate
You'd easily had my back
And then there was the issue of her
I didn't even like myslef
Or love the life i had
And they were shinin' stars
Standing clear with open arms
You touched the detriment
Most of the friends i knew already had
