

# Lara Fabian, Givin' Up

Silence and quiet  
Again in my life  
Far from these moments  
I wish I was  
Passion and truth  
We were about  
Before these shadows  
Stole the beat of our hearts

Chorus:  
After all we have been through  
I can only look at you  
Through the eyes you lied to  
I'm givin' up, givin' up  
I'm givin' up on you  
After all if there is no way out  
If you cannot stand beside me  
If there isn't love  
There is only pride  
I'm givin' up, I'm givin' up this fight

Undo this leash  
You say I tied  
When only our fears are to  
blame this time  
And what am I to you  
Just spit it out  
I'm not afraid of the words that you hide

Chorus

Where do we go  
Where did it all crash  
When did it start to fall apart  
Silence and quiet  
Passion, the truth  
Shadows, only shadows

Chorus
