

# Lara Fabian, I Guess I Loved You

Now  
Tomorrow is all there is  
No need to look behind the door  
You won't be standing there no more  
I had my chance  
To dance another dance  
I didn't even realize  
That this was all love  
And no lies  
Then lost you

While  
I guess I loved you  
Oh, less, less than I should  
Now all there is is me and me  
I turn around and all I see  
The past where I have left our destiny

Now  
Tomorrow's a mystery  
I cannot live without a dream  
Vanishing from reality  
I wanna now  
Would you come back to me?  
Now that I finally realize  
You are my whole  
You are my life  
I need you

I guess I loved you  
Oh, less, less than I should  
Now all there is is me and me  
I turn around and all I see  
The past where I have left our destiny  
Oh, oh, oh, I, I guess I loved you  
Oh, less, oh less, less, less than I could  
Another time  
Another run  
To mend both of our broken hearts  
To tell you how much I can love you now  
I, I guess, I guess I loved you  
I guess I loved you
