Lara Fabian, I Will Love Again

Did I ever tell you how you live in me Every waking moment, even in my dreams And if all this talk is crazy And you don't know what I mean Does it really matter, just as long as I believe

Chorus:

I will love again, though my heart is breaking I will love again, stronger than before I will love again, even if it takes a lifetime to get over you, heaven only knows I will love again

People never tell you the way they truly feel I would die for you gladly, if I knew it was for real So if all this talk sounds crazy And the words don't come out right Does it really matter, if it gets me through this night

(chorus)

If I'm true to myself Nobody else can take the place of you But I've got to move on Tell me what else can I do

(chorus)

I will love again...
I will love again...
I will love again...
One day I know I will love again
You can't stop me from loving again
Breathing again
Feeling again
I know one day I'll love again
