

Lara Fabian, You Are My Heart

How did I ever get to here
Why do I need you
Why do I have to cry these tears
Where do they lead to
I used to be so strong alone
When I was standing on my own
Now I don't know what to do

Was I too proud or just too blind
What does it matter
When love was in these hands of mine
I let it shatter
The pieces scattered to the wind
I'll never have them here again
But I'll remember how we were
The rest of time

Chorus:
You are my heart
How could I ever let you go
You are my soul
I had to lose my soul to know
How much you mean
To me, you are my heart

I think I see you everywhere
Isn't that crazy
I still reach out to feel you there
Lying beside me
I've learned a lot since you've been gone
About what I am and what I want
I know I only want to be in love with you

Repeat chorus

There's the sun to light the day
My colors turned to gray
The day I saw you walk away
Now there's nothing left to say
But when I dream, I pray (I pray you were there)
That life could be like yesterday

Repeat chorus
