

Larue, Fly

Fly

I believe that there's more to life than what I see
And I believe that I can still fly with my broken wings
I believe that this picturesque beauty will fade away/ With
His help I will gather my faith so one day I will fly/ Chorus
Well this I feel and this I know That there's a God who made
us all/ And on His throne He reigns on high/ And waits for us
until we fly, fly away/ I've been searching for a love divine to
fill this open space/ I've been yearning for a peace of mind I
can only find through faith/ My head's been spinning round
To find some kind of ground/ But through this Savior I'm
found/ Chorus Fly/ Fly/ Chorus/ Well this I feel and this I
know/ That there's a God who made us all/ And on His throne
He reigns on high and lifts us up so we may fly away.
