

# Laura Mvula, She

She walked to watch you with the head down low  
She wanna drift as a way out of the blue  
Who's gonna take her home this time  
She knew that this time wouldn't be the last time  
Oh, oh, oh, oh

There she waits looking for a savior  
Someone to save her from a dying self  
Always taking ten steps back and one step forward  
She's tired, but she don't stop

Oh, oh, oh, oh, oh, oh, oh  
She don't wanna stop, she don't wanna stop  
Oh, oh, oh, oh, oh, oh, oh  
She don't wanna stop, she don't wanna stop  
Oh, oh, oh, oh, oh, oh, oh  
She don't wanna stop, she don't wanna stop

Every day she stood, hoping for a new life  
She closed her eyes, and she heard a small voice say  
You don't stop now, you belong to me  
She cried, maybe it's too late!  
Don't, don't stop, don't, don't stop

She don't wanna stop, she don't wanna stop  
She don't wanna stop, she don't wanna stop  
She don't wanna stop, she don't wanna stop  
She don't wanna stop, she don't wanna stop  
She don't wanna stop, she don't wanna stop  
She don't wanna stop, she don't wanna stop

She walked to watch you with the head down low  
She wanna drift as a way out of the blue  
Who's gonna take her home this time  
She knew that this time wouldn't be the last time
