

# Lauren Jauregui, 50ft.

you know me  
i'm not here for any of the bullshit  
I see through it  
energy receptive so I keep my clique exclusive  
you gotta do it

some people just ain't in touch  
they haven't really done much wor  
and only ever see the worst  
though, naturally inclined to love  
but when the love ain't back  
I put away and reassess  
gotta protect me

push the negative to the side  
so it's not in front of mind  
I need more than 50 feet  
if ya mind  
body and soul ain't aligned  
I don't need you messin' whit me  
out of sight, out of mind  
I need more than 50 feet  
out of sight, out of mind  
out of sight, out of mind  
need you more than 50 feet away  
out of sight, out of mind  
out of sight, out of mind

enciendo una blanca veilita  
roteccion te pido Abuelita  
ven cuidame cuando el mundo me quita la fe  
making sure that I am burning my sage  
say a prayer when I am feeling afraid  
that's whet in takes  
these days, these days

some people just ain't in touch  
they haven't really done much wor  
and only ever see the worst  
though, naturally inclined to love  
but when the love ain't back  
I put away and reassess  
gotta protect me

push the negative to the side  
so it's not in front of mind  
I need more than 50 feet  
if ya mind  
body and soul ain't aligned  
I don't need you messin' whit me  
out of sight, out of mind  
I need more than 50 feet  
out of sight, out of mind  
out of sight, out of mind  
need you more than 50 feet away  
out of sight, out of mind  
out of sight, out of mind

out of sight, out of mind  
out of sight, out of mind  
yeah, back up won't ya?  
buck up for me  
yeah, back up won't ya?  
buck up for me

yeah, back up won't ya?  
buck up for me  
yeah, back up won't ya?  
buck up for me
