

# Lauren Jauregui, Special Affair

[Verse 1]

Penny for your thoughts, I know what you want  
I can read your mind even from behind  
And fuck what's in your phone, I can take you home  
I wanna take you home

[Pre-Chorus]

'Cause it's so rare that I'm here, don't plan on staying too long  
So you should come here, sit your ass on this throne  
This a special affair, better act like you know who I am, who I am

[Chorus]

I bet this Patron make you feel nice and comfortable  
Tryna act nice, girl, your cover's blown  
But you already knew that  
You already knew that  
You already knew that

[Post-Chorus]

We can burn one  
We can burn one

[Verse 2]

Penny for your thoughts, I know what you want  
I can read your mind even from behind  
And fuck what's in your phone, I can take you home  
I wanna take you home
