

# Lawson, Let Go

Last time that I picked up my phone  
Her your voice on the end of my 9 0 1  
You say you needed to talk  
But you didn't care, before

4 weeks since you broken my down  
See your face on a picture beside my bed  
And now I'm drinking alone  
But I'm letting go, I'm letting go, yeah

I don't need to see you cry  
I don't need to breathe your life  
Think it's time I'm moving on  
I gotta let go, let go

After all the things you said  
All the stories that I read  
Think I'll make it on my on  
I gotta let go, let go oooo, let go, let go oooo

All I seen were the years passing by  
I just hope that you find what your looking for  
And you can start living life  
cause I'm living mine, I'm living mine, yeah yeah

I don't need to see you cry  
I don't need to breathe your life  
Think it's time I'm moving on  
I gotta let go, let go

After all the things you said  
All the stories that I read  
Think I'll make it on my on  
I gotta let go, let go oooo, let go, let go oooo

Tell me something that I don't know  
Tell me something that heals my fall  
Sick and tired of the same old words  
Sick and tired of the things I've heard

I don't wanna be angry anymore  
I don't wanna be bitter anymore, yeah

I don't need to see you cry  
I don't need to breathe your life  
Think it's time I'm moving on  
I gotta let go, let go

After all the things you said  
All the stories that I read  
Think I'll make it on my on  
I gotta let go, let go oooo, let go, let go oooo
