

Layla, New Year

First day of New Year
Nothing has change
I still feel broken
I still the same
First day of New Year
After past
Feel well ambition
You never last

Higher lover are behind us
Higher lesson we to
Higher ___ try to mold us
And changes for the worst

You can?t cover all that ___
You can?t ___ deepe down
Ye, you?ve gonna be somebody

(sorki, ze sluchu pisane. poprawcie, please. super piosenka!)
