

Lazy Town, Galaxy

Do do do do do do do do
Do do do do do do do do
Look, up the skies
Watch a rocket rise
Past the clouds it flies
And reaches for the stars
Prepare for the race
And we'll take a trip right into outer space
Do do do do do do do do
Who knows what we might see
Do do do do do do do do
Out in the galaxy
Do do do do do do do do
Hang on we'll be there soon
Do do do do do do do do
We'll meet the man in the moon
We'll be the first to go
And maybe say hello
To aliens that glow
On Jupiter and Mars
Prepare for the race
And we'll take a trip right into outer space
Do do do do do do do do
Who knows what we might see
Do do do do do do do do
Out in the galaxy
Do do do do do do do do
Hang on we'll be there soon
Do do do do do do do do
8,7,6,5,4,3,2,1 Liftoff!
Do do do do do do do do
We'll play with the satellites
Do do do do do do do do
Race past the northern lights
Do do do do do do do do
Hang on we'll be there soon
Do do do do do do do do
Maybe land on the moon
Take a trip into outer space!
