

# LCD Soundsystem, New York, I Love You But Yo

New York, I love you  
But you're bringing me down  
New York, I love you  
But you're bringing me down

Like a rat in a cage  
Pulling minimum wage  
New York, I love you  
But you're bringing me down

New York, you're safer  
And you're wasting my time  
Our records all show  
You were filthy but fine

But they shuttered your stores  
When you opened the doors  
To the cops who were bored  
Once they'd run out of crime

New York, you're perfect  
Oh please, don't change a thing  
Your mild billionaire mayor's  
Now convinced he's a king

So the boring collect  
I mean all disrespect  
In the neighborhood bars  
I'd once dreamt I would drink

New York, I love you  
But you're freaking me out  
There's a ton of "The Twist"  
But we're fresh out of "Shout!"

Like a death in the hall  
That you hear through your wall  
New York, I love you  
But you're freaking me out

New York, I love you  
But you're bringing me down  
New York, I love you  
But you're bringing me down

Like a death of the heart  
Jesus, where do I start?  
But you're still the one pool  
Where I'd happily drown

And oh, take me off your mailing list  
For kids who think it still exists  
Yes, for those who think it still exists

Maybe I'm wrong  
And maybe you're right  
Maybe I'm wrong  
And maybe you're right

Maybe you're right  
Maybe I'm wrong  
And just maybe you're right

And oh..

Maybe mother told you true  
And there'll always be somebody there for you  
And you'll never be alone

But maybe she's wrong  
And maybe I'm right  
And just maybe she's wrong

Maybe she's wrong  
And maybe I'm right  
And if so, is there?
