

Le Tigre, Yr Critique

Yr critique is superficial
but yr hatred's like the rain.
We could agree to disagree, you know
But I gotta catch my train

[Chorus:]
So, go-go, go-go, go-go
Good luck!
So, go-go, go-go, go-go
W.I.A!*

[2x]

I think you're pretty smart
But you act like such a jerk, I
can't stand yr fake rebellion
misdirected and anti-art

[Chorus]
So over it (Now!) [4x]
[*Well Intentioned Asshole]
