

Lea Salonga, The Journey

Half the world is sleeping,
half the world's awake
half can hear their hearts beat
half just hear them break
I am but a traveler, in most every way
Ask me what you want...to know
What a journey it has been
And the end is not in sight
But the stars are out tonight
and they're bound to guide my way
When they're shining on my life
I can see a better day
I won't let the darkness in,
what a journey it has been.
I have been to sorrow
I have been to bliss
Where I'll be tomorrow,
I can only guess
Through the darkest desert
Through the deepest snow,
Forward always forward, I go..
What a journey it has been
and the end is not in sight
But the stars are out tonight
and they're bound to guide my way
When they're shining on my life
I can see a better day
I won't let the darkness in,
what a journey it has been...
Forward, always forward...
Onward, always up...
Catching every drop of hope
In my empty cup
What a journey it has been
And the end is not in sight
But the stars are out tonight
and they're bound to guide my way
When they're shining on my life
I can see a better day
I won't let the darkness in,
what a journey it has been...
What a journey it has been...
