

# LEAH, Eric Peterson & LEAH's "Winter

Crystal icicles glimmering  
In this cold, dark heart  
Leaves are falling, leaving naked  
Trees to warm a fire

Now it's time to let you go  
Amidst the falling snow  
Now it's time to say goodbye  
As winter sun overcomes autumn sky

Bitter memories overtaken  
Numb and chilled to the bone  
This reflection, glassy mirror  
Shows a face unknown

Now it's time to let you go  
Amidst the falling snow  
Now it's time to say goodbye  
As winter sun overcomes autumn sky

Now it's time to let you go  
Amidst the falling snow  
Now it's time to say goodbye  
As winter sun overcomes autumn sky
