

# Leaves' Eyes, Ankomst

I glitrende solskin,  
Et landskap som v kner.  
Vi seiler inn mot havnen.  
Hjem til deg i dine armer,  
En historie fortelle.

Ankomst, ankomst, gi meg havn.  
Ankomst, ankomst, p ne din favn.

La dine sorger hvile i havet,  
Et sted mellom nord og sr.  
Vinden synger de evige toner,  
En sage fortelle.

Ankomst, ankomst, gi meg havn.  
Ankomst, ankomst, p ne din favn.

Ankomst, ankomst, gi meg havn.  
Ankomst, ankomst, p ne din favn.

&lt;/l&gt;English Lyrics&lt;/l&gt;  
&lt;/lyrics&gt;  
In the sparkling sun,  
A landscape waking up, we're sailing in towards the harbour,  
Home to you in your arms.  
A story to tell.

Arrival, arrival, give me a harbour.  
Arrival, arrival, open your arms.

Let your sorrows rest at sea,  
Somewhere between north and south.  
The wind sings the eternal notes,  
A saga to tell.

Arrival, arrival, give me a harbour.  
Arrival, arrival, open your arms.

Arrival, arrival, give me a harbour.  
Arrival, arrival, open your arms.
