

Leaves' Eyes, Winter's Poem

One million crystals on the outside of my window,
One single thought, a thought of missing you.
But only one word from within me
Describes the thought without of you.

Ice feathers on my window
Reveal a single thought
(Reveal a single thought):
A painting of your eyes
Is a sign that you do know
(A sign that you do know).

One million crystals not enough to page your beauty,
Beauty of your soul.
Three hundred days I counted,
Almost a year, a mere of missing you.

Ice feathers on my window
Reveal a single thought
(Reveal a single thought):
A painting of your eyes
Is a sign that you do know
(A sign that you do know).

Once again waters change
Winter spell comes to life again

Ice feathers on my window
Reveal a single thought
(Reveal a single thought):
A painting of your eyes
Is a sign that you do know
(A sign that you do know).

Ice crystals on my window
Hide frozen life inside
(Frozen life inside).
Ice storm outside these walls ,
But I feel my heart is warm
(Feel my heart is warm).
