

# Led Zeppelin, Sunshine Woman

I've got a baby y'know  
Treats me fine  
I got a little woman wanna give it but, uh  
I get it all the time  
Well she's my  
Sunshine baby  
She's nice and kind to me  
Well she give me breakfast in the mornin'  
You know she  
Also makes my tea

Hey!

She got no diamond, you know  
Shine like gold  
Got a mortgage on my body  
Got a lien on my soul

When my baby walks ya know  
Her front teeth they shine like gold, yes they do  
Well-a ya know she shine like diamond  
But she got a mortgage on my soul, hah!

Get up, get up, now!

[harmonica solo]

Hah! Ah!

[piano solo]

My baby when she walks, you know  
Shakes just like a willow tree  
Yeah my baby when she walks, you know  
Shakes just like a willow tree  
But she's so mean and evil  
She makes a monkey outta me

Oh yeah, my my my
