

Lee Ann Womack, He'll Be Back

Don't feel sorry for me
It's not like it seems
Yeah, he left this morning
Tonight I've got my dreams and memories

[Chorus:]
He'll be back
He'll be back
If he's anything like his memory
He'll be back

Early morning kisses
Deep down hidden wishes
Old friends come to visit
That's how I remember him to be

[Repeat Chorus twice]
