

Lee Ann Womack, I Hope You Dance

To Whom It May Concern,

I was browsing your website to pick these lyrics and I corrected them like the bottom of the URL suggested. I love doing small things such as this in life, it just gives me a boost especially when this very song is so dear to me! I work with media and if your website every needs an artistic twist of help you're more than welcome to email me back. I frequent this website because it's the best for lyrics!

"I Hope You Dance" (Lee Ann Womack)

I hope you never lose your sense of wonder.
You get your fill to eat, but always keep that hunger.
May you never take one single breath for granted.
God forbid love ever leave you empty handed.
I hope you still feel small when you stand beside the ocean.
Whenever one door closes I hope one more opens.
Promise me that you'll give faith a fighting chance.
And when you get the choice to sit it out or dance.
I hope you dance-hope you dance (CHORUS)
I hope you never fear those mountains in the distance.
Never settle for the path of least resistance.
Livin' might mean takin' chances, but they're worth takin'.
Lovin' might be a mistake but it's worth makin'.
Don't let some hell bent heart leave you bitter.
When you come close to sellin' out, reconsider.
Give the heavens above more than just a passing glance.
And when you get the choice to sit it out or dance.
(CHORUS) Including harmony with the following backing vocals...
(Time is a wheel in constant motion always [CHORUS] rolling us along.)
(CHORUS) Including harmony with the following backing vocals)
(Tell me who wants to look back on their years and wonder, [CHORUS] where those years
have gone.)
I hope you still feel small when you stand beside the ocean.
Whenever one door closes I hope one more opens.
Promise me that you'll give faith a fighting chance.
And when you get the choice to sit it out or dance.
