

# Lee Brice, Checking In - feat. for KING + COUNT

Hey there, Son  
It's Dad again  
I know you're busy  
I'm just checking in  
Just call me later  
If you get a chance  
I don't want nothing  
I was just wondering how you been

There's no telling how many times  
I've let that message play  
He's been gone a while  
But it still feels like yesterday  
I even call him back sometimes  
Wishing he'd pick up again  
And I got a lot more to say these days  
Then I did back then  
Hey Dad, it's me, checking in

I'm doing alright  
Works been a little hard  
But don't worry, I told Mom  
I'd be by to cut the yard  
These kids are good  
Yeah, you'd sure be proud  
I probably should let you go  
I'm just missing you right now

There's no telling how many times  
I've let that message play  
He's been gone a while  
But it still feels like yesterday  
I even call him back sometimes  
Wishing he'd pick up again  
I got a lot more to say these days  
Then I did back then  
Hey Dad, it's me, checking in  
Oh  
I'm just checking in  
Oh

There's no telling how many times  
I've let that message play  
He's been gone a while  
But it still feels like yesterday  
I even call him back sometimes  
Wishing he'd pick up again  
I got a lot more to say these days  
Then I did back then  
Yeah, I got a lot more to say these days  
Then I did back then  
Hey Dad, it's me, checking in  
Checking in  
I'm just checking in  
Checking in, checking in

Hey there, Son  
It's Dad again  
I know you're busy  
I'm just checking in
