

# Leeway, On The Outside

Once too many  
But once not enough  
Wall of stone  
Being on your own

(chorus)  
Oh, in my mind  
Coming into a grind  
I want you through  
Alone in your solitude

First time out  
You'll see what it's all about  
Going nowhere fast  
Being the first and the last

Another hopeless night  
Caught between wrong and right  
Going nowhere fast  
Being the first and the last
