

# Left Eye, Big Willie Style

this one goes out to all the big willies

big Will the high roller  
strolling through with an entourage  
hard to camouflange when you livin' this large  
I be smooth like debarge with a five car garage  
out for the night with my squad and we be flossin' down the fifteen  
my whole auroa gleamin'  
who that kid in the green v  
envy brother schemin'  
I ain't thinkin' bout them  
racing chicks in the pink b.m.  
with my speakers tweakin'  
freakin' off this weekend  
in Las Vegas boss players all across the board move makers and shakers  
money can't break us but the places it can take us  
big will in the limelight rhyme tight  
and we gon' have some fun tonight

Chorus:

now how we do it  
(you know it's Big Willie style baby)  
now how we doin' it  
(you know it's Big Willie style)  
repeat

Verse 2:

I'm in a five star casino shuttin' crap tables down (boom)  
non bettin' willie watchers standin' around  
strictly millionaire status you can feel the eyes lookin' at us  
how bad they wanna be us (parlay)  
Charlie Mack got my back with his eyes on my stack  
brothers don't know how to act when you drive a four-five black  
people stop and stare havin' drinks at the bar  
a round for everybody with these big willie cards  
from civllians to stars they wanna know who we are  
it's me big Will Nas Escobar J.L. Omar  
carry money bags collect the chips then we all quick to exit

Chorus

Verse 3: Left Eye

It's Left Eye with a tight crew  
representin' like it's ladies night  
comin' right through  
don't be spiteful  
plus an eyeful  
sportin' hot pink  
rocks in the link  
in the drop with a mink  
like my ----- don't stink  
got you in the palm with a bomb like Sadamm  
blowing up spots then runnin' off with the pot  
Left Eye ready for action  
the main attraction  
I'm in the fast lane passin'  
breakin' you down like fractions  
while we be rappin' about things that really happen  
big willie style Philly style let's make it happen  
with mademouselle from gezals to versace  
with a sweet smell

this female leadin' the posse  
got jokes like Cosby  
in the lots where the cars be  
with no apologies it's Left Eye  
big Will let the champagne spill  
is it a mans thing for real  
can us girls roll wit yall  
what the deal

Chorus

Verse 4:  
well now it's lookin' like a car show  
convoys and whips on the strip  
pullin' up in the six makin' brothers sick  
for real  
big Will household name  
entertainer  
gold handle cane and matchin' gators  
swervin' lane  
in pole position rolling deep like a co-malition  
in soul position and can rock a whole convention  
movie screens to the club scene  
my whole crew lookin' clean  
shine with a diamond gleam  
step above where the players be  
don't hate me  
one is where they rate me  
lately you could find me  
behind the door marked V.I.P.  
eating grapes under the A.C.  
big willie style is how we do it

Chorus

this one goes out to all the big willies
