

Leki, Gemini

Chorus: What shall I do today
What shall I wear
How is the weather out there?
Oh, shall I watch tv, turn on my radio
How to live my life, I don't know..

Today is one of those days
I feel lost, I feel grey
I ain't sad or happy
I just stare and I'm there
I walk to the left
I walk to the right
Go from one end to the other side
Don't know where to put myself I stand up I sit down
Hey little man in the room who are you?
Didn't let you now
So who are you?
He said, Yeah he said, that's when he said what he said in verse two

(chorus)

Hi, I'm little Gemini
People call me I come down the chimney
No chimney I can also just appear that's who I am and how I came here
But why? Didn't light no spliff today
Why my head so blurry
The blunts you puff got nothing to do with the inner call deep inside of you
See rain will come, clouds is near, thunder will drum, sky will clear,
After the storm if you dare look outside, You'll see the sun and it'll shine!

(chorus)

I complicate things I'm complicated
I hate it days like this I'm fading away
What can I say?
It's the same old words I lay
Restless, my mind is a mess yes
Not pretty, way to gritty on the inside
The sun don't shine, though I smile, like I'm fine
Hey Babygirl, don't explode
Let's go from the top and take it slow
You saw what you see little Gemini for you they send me
To say:

Mythic stories written and read
Know thyself is what they said
True indeed, you can't outsmart
Truth sleeps deep in your hart
Shhh...
