

Lemon Demon, Charles And Leah Forever

Leah Warring Rodrigue,
Charles Edward Sergio the 3rd.
What are they celebrating?
Only the greatest love that ever has occurred.
Today they have wed,
and now that they've said
I do, I do, I do.
I guess the rest is up to you.

It's been off and on again
since they were thirteen or so.
Now they'd like the world to know
how much they love each other.
It's been rather wonderful,
since they had their little son.
But it's only just begun,
Charles, Leah, forever, that's the idea.

Leah Warring Sergio,
Charles Edward Rodrigue the 3rd.
What are they celebrating?
Only the greatest thing that I have ever heard.
And now, as they've planned,
they are hand in hand
today, today, today.
We couldn't be another way.

It's been off and on again
since they were thirteen or so.
Now they'd like the world to know
how much they love each other.
It's been rather wonderful,
ever since they had their son.
But it's only just begun,
Charles, Leah, forever, that's the idea.

Tony, Kira, Snowdrop, Tigerlily
all love you like a million times right over
and you both know for sure you love them back in fact
you got love in spades and it never fades
like a billion Christmas Day parades
you got fish tank pride
you're the groom and bride
with a trillion watts of love inside

It's been off and on again
since they were thirteen or so.
Now they'd love the world to know
how much they like each other.
It's been rather wonderful,
since they had their little son.
But it's only just begun,
Charles, Leah, forever, that's the idea.
Together, that's the idea.
Forever, that's the idea.
