

# Lemon Demon, Scatterbrained

Lately, I've not been feeling so good.  
Like I'm just random knots in the wood.  
I'm careful where I crawl  
If nothing else at all.

Some friends come by at seven o' clock.  
They ask if I'll go out for a walk.  
I tell them, Not today,  
But they take me anyway.

Now, won't you tell me why I feel so scatterbrained?  
The moon still hasn't come back since it's waned.  
It can't be what I'm looking for I'm thinking but I don't know.
