

Lemonator, The Unbreakable Two

Empty house and you
Wasted and shattered
Broken glass and rain
Mark the argument

Can't think of what's been said
Must it been something bad

Curled up in your bed
Safe but uncertain
Where to go and when
It's the first of September
It was so good in June
How did this end so soon?

Save the thought, replay:
Two beautiful lovers
Swear undying love
Unbreakable two
She laughs, their eyes engage
Nothing else matters
Sworn undying love
Unbreakable two

It's fourth you haven't heard
A word from the other
Tangled up by thoughts
Of the friends and the lovers
You're getting closer to
What once was best for you

Save the thought, replay:
Two beautiful lovers
Swear undying love
Unbreakable two
She laughs, their eyes engage
Nothing else matters
Sworn undying love
Unbreakable two

Solo

Save the thought, replay:
Two beautiful lovers
Swear undying love
Unbreakable two
She laughs, their eyes engage
Nothing else matters
Sworn undying love
Unbreakable two
