Lemonator, The Unbreakable Two

Empty house and you Wasted and shattered Broken glass and rain Mark the argument

Can't think of what's been said Must it been something bad

Curled up in your bed Safe but uncertain Where to go and when It's the first of September It was so good in June How did this end so soon?

Save the thought, replay:
Two beautiful lovers
Swear undying love
Unbreakable two
She laughs, their eyes engage
Nothing else matters
Sworn undying love
Unbreakable two

It's fourth you haven't heard A word from the other Tangled up by thoughts Of the friends and the lovers You're getting closer to What once was best for you

Save the thought, replay:
Two beautiful lovers
Swear undying love
Unbreakable two
She laughs, their eyes engage
Nothing else matters
Sworn undying love
Unbreakable two

Solo

Two beautiful lovers
Swear undying love
Unbreakable two
She laughs, their eyes engage
Nothing else matters
Sworn undying love
Unbreakable two
