

Lena, Satellite

I went everywhere for you
I even did my hair for you
I bought new underwear they're blue
and I wore it just the other day
Love you know I'd fight for you
I left on the porch light for you
Whether you are sweet or cruel
I'm gonna love you either way

Love oh love
I gotta tell you how I feel about you
Cause I oh I can't go a minute without your love
Like a satellite
I'm in an orbit all the way around you
And I would fall out into the night
Can't go a minute without your love

Love I got it bad for you
I saved the best I have for you
You sometimes make me sad and blue
Wouldn't have it any other way
Love my aim is straight and true
Cupid's arrows just for you
I even painted my toenails for you
I did it just the other day

Love oh love
I gotta tell you how I feel about you
Cause I oh I can't go a minute without your love
Like a satellite
I'm in an orbit all the way around you
And I would fall out into the night
Can't go a minute without your love

Love oh love
I gotta tell you how I feel about you
Cause I oh I can't go a minute without your love

Where you'll go I'll follow
You set the pace we'll take it fast or slow
I'll follow in your way
You got me you got me
A force more powerful than gravity
It's physics there's no escape

Love my aim is straight and true
Cupid's arrows just for you
I even painted my toenails for you
I did it just the other day

Love oh love
I gotta tell you how I feel about you
Cause I oh I can't go a minute without your love
Like a satellite
I'm in an orbit all the way around you
And I would fall out into the night
Can't go a minute without your love

Love oh love
I gotta tell you how I feel about you
Cause I oh I
can't go a minute without your love
