

Leningrad Cowboys, Drink Beer Polka

Nothing works if your mouth is dry
We all know that
You can go on without food
That's a well known fact
What should we drink
When we are thirsty
Drink (Drink) Beer (Beer)
Come (Come) Here (Here)
Sing (Sing) Da (Da)
Yes (Yes) Ya (Yaha)
Next morning your eyes can look like-
It's all in the .
But who cares, at least not-
The old six pack from here
What should we drink
When we are thirsty
Drink (Drink) Beer (Beer)
Come (Come) Here (Here)
Sing (Sing) Da (Da)
Yes (Yes) Ya (Yaha)
The day after is full of laughter
When your plan is clear
Your tongue might feel like sandpaper
But your fridge is full of beer
What should we drink
When we are thirsty
And once again the words
That will take your pain away
Drink (Drink) Beer (Beer)
Come (Come) Here (Here)
Sing (Sing) Da (Da)
Yes (Yes) Ya (Yaha)
