

# Lenny Kravitz, My Love

My love  
Paints the desert sky  
My love  
Walks the hundredth mile  
My love  
Has an angel's smile  
My love  
My love  
Wanna lose my mind inside your head

My love  
Is a purifier  
My love  
Is my one desire  
My love  
Always walks the earth  
My love  
My love  
Wanna lose my mind inside your bed  
Wanna lose it  
Wanna lose it  
Wanna lose myself in your bed

Yeah !
