

Leon Bridges, Motorbike

We don't stop but th etime do
Lovers in another life
Let me remind you
Leek back, see me behind you
When it feels good you don't have to try to

And if you say no
If you say no
Then let's go
I know you're all thet
I wanted since i mer you
What do i gotta do to get you?

On the back of my motorbike
Switch lanes 29
It's whaever you like
On the back of my motorbike
Write your name in the sky
It's whatever you like
We can ride, ride, ride
