

Leona Lewis, One More Sleep

Snow is falling all around us
My baby's coming home for Christmas
I've been up all night inside my bedroom
He said he'll be with me real soon

So I wait
And I wait
But I've had as much as I can take

'Cause I've got 5 more nights of sleeping on my own
4 more days until you're coming home
3 more dreams of you and mistletoe
2 more reasons why I love you so
I've got 5 more nights until you're next to me
4 more days of being lonely
3 more wishes I can barely breathe
If I can make it to Christmas Eve then it's

One more sleep
(one more sleep until it's Christmas)
One more sleep
(Can't believe how much I missed us)
One more sleep
(One more sleep until it's Christmas)
One more sleep

Now I don't think I can remember
A cold and lonelier December
And I find myself singing at the window
Wondering when you're gonna get back home

So I try
And I try
But there is nothing I can do to pass this time

I've got 5 more nights of sleeping on my own
4 more days until you're coming home
3 more dreams of you and mistletoe
2 more reasons why I love you so
I've got 5 more nights until you're next to me
4 more days of being lonely
3 more wishes I can barely breathe
If I can make it to Christmas Eve then it's

One more sleep
(one more sleep until it's Christmas)
One more sleep
(Can't believe how much I missed us)
One more sleep
(One more sleep until it's Christmas)
One more sleep

Until we're rocking around the Christmas tree
Until I got you sitting next to me
We got a lot of catching up to do
I just can't take this missing you

5 more nights on my own
4 more days
3 more dreams
mistletoe
I can't believe I ever let you go

5 more nights of sleeping on my own

4 more days until you're coming home
3 more wishes I can barely breathe
If i can make it to Christmas Eve then it's one more sleep

It'll be one more
It'll be one more (One more sleep)
It'll be one more (One more sleep)
One more sleep
