Leonard Cohen, The Law

How many times did you call me And I knew it was late I left everybody But I never went straight I don't claim to be quilty But I do understand There's a Law, there's an Arm, there's a Hand There's a Law, there's an Arm, there's a Hand Now my heart's like a blister From doing what I do If the moon has a sister It's got to be you I'm going to miss you forever Tho' it's not what I planned There's a Law, there's an Arm, there's a Hand There's a Law, there's an Arm, there's a Hand

Now the deal has been dirty
Since dirty began
I'm not asking for mercy
Not from the man
You just don't ask for mercy
While you're still on the stand
There's a Law, there's an Arm, there's a Hand
There's a Law, there's an Arm, there's a Hand

I don't claim to be guilty Guilty's too grand There's a Law, there's an Arm, there's a Hand There's a Law, there's an Arm, there's a Hand

That's all I can say, baby
That's all I can say
It wasn't for nothing
That they put me away
I fell with my angel
Down the chain of command
There's a Law, there's an Arm, there's a Hand
There's a Law, there's an Arm, there's a Hand
There's a Law, there's an Arm, there's a Hand
