

Lesley Roy, Maps (Irlandia, Eurovision 2021)

I'm gonna let go of the armor
Let off the power that i've been lighting
Not afraid of the monster
Of the nightmares
That i've been fighting

Easy to run
Harder to stay
Finding colors in the grey
But i've gotta go on
I fell twice
Now i am twice as strong

I've been searching all the wrong places
I've been trying to omany faces
Only on eway to go
This is the way back home

I had to take all of the wrong ways
All of the wrong ways
As i coundn't see
All the signs
All the mistakes
Pointing one way to gert back to me
