

Leslie Clio, I Couldn't Care Less

So what's it gonna be
If you don't like my peaches?
Then don't shake the tree
Maybe it's sad but it's easy
The sick ship still rolls
And takes so little to please me
Go cross me off your list
No use to be a part of
A world that don't exist
I'm giving up the fight
I never getting paid
But somewhere there's a light

I couldn't care less
'bout sunny or shine
I couldn't care less
What broke me this time
I couldn't care less
That's why I'm drummin' it out
I couldn't care less
That's all I care about
Such a good drama oh oh
Such a good drama oh oh oh
I couldn't care less
That's all I care about

If I am bored though I'm bound
Maybe I'm lost
But I don't need to be found
My dreams don't match my pay
I'll be resting in my cage
And forever is just a day
Why, where and how
Fuck the past
The past ain't now
'cause I ain't got the time
Some things could be better
But there's too much on mind

I couldn't care less
'bout sunny or shine
I couldn't care less
What broke me this time
I couldn't care less
That's why I'm drummin' it out
I couldn't care less
That's all I care about
Such a good drama oh oh
Such a good drama oh oh oh
I couldn't care less
That's all I care about

I couldn't care less
'bout sunny or shine
I couldn't care less
What broke me this time
I couldn't care less
That's why I'm drummin' it out
I couldn't care less
That's all I care about

I couldn't care less
'bout sunny or shine
I couldn't care less

What broke me this time
I couldn't care less
That's why I'm drummin' it out
I couldn't care less
That's all I care about
Such a good drama oh oh
Such a good drama oh oh oh
I couldn't care less
That's all I care about
