Chorus:

Here He comes back from the dead with my heart Hope is singing as He's bringing me life Here He comes back from the dead with my heart There is nothing too hard for Him Verse 1:

The last way I saw Him was torn and lifeless As they took Him down from the cross And my heart went with Him into the tomb All seemed lost My life was lost Repeat Chorus Verse 2:

Nothing can stop Him now that He's risen He's set all the prisoners free As He comes He's bringing gifts of power Just for me For you and for me Repeat Chorus Instrumental Repeat Chorus
