

# Lewis Capaldi, Wish You The Best

I miss knowing what you're thinking  
And hearing how your day has been  
Do you think you could tell me everything darling?  
But leave out every part about him

Right now you're probably by the ocean  
While I'm still out here in the rain  
With every day that passes by since we've spoken  
It's like Glasgow gets farther from LA  
Maybe it's supposed to be this way

But oh my love  
I wanna say I miss the green in your eyes  
And when I said we could be friends guess I lied  
I wanna say I wish that you never left  
Oh but instead I only wish you the best  
I wanna say without you everything's wrong  
And you were everything I need all along  
I wanna say I wish that you never left  
Oh but instead I only wish you the best

Well I can't help but notice  
You seem happier than ever now  
And I guess that I should tell you I'm sorry  
It seems I was the problem somehow  
Maybe I only brought you down

But oh my love  
I wanna say I miss the green in your eyes  
And when I said we could be friends guess I lied  
I wanna say I wish that you never left  
Oh but instead I only wish you the best  
I wanna say without you everything's wrong  
And you were everything I need all along  
I wanna say I wish that you never left  
Oh but instead I only wish you the best

But oh my love  
Ohhhhh  
Oh my love  
Ohhhhh

Wish I could say it's something I really mean  
But I want you happy whether or not it's with me  
I wanna say I wish that you never left  
Oh but instead I only wish you the best

I wanna say without you everything's wrong  
And you were everything I need all along  
I wanna say I wish that you never left  
Oh but instead I only wish you the best
