

# Liam Gallagher, All You're Dreaming Of

Paint the night sky  
While the morning waits  
With a field of stars  
To keep the dark at bay

Take your spotlight  
Underneath the moon  
Sometimes a miracle  
Is all that can carry you

What, are you dreaming of?  
Is it the kind of love  
That'll be down when the world is at its worst?  
That'll cover you in kisses unrehearsed  
When you're losing ground, still tell you that you're worth  
All you're dreaming of...

Shut the pain birds  
Come and rest their wings  
Upon your windowsill  
Without a song to sing

Close your eyes  
And disappear inside  
All that is beautiful  
Was following behind

What, are you dreaming of?  
Is it the kind of love  
That'll be down when the world is at its worst?  
That'll cover you in kisses unrehearsed  
When you're losing ground, still tell you that you're worth  
All you're dreaming of...

All you're dreaming of /4x

What, are you dreaming of?  
Is it the kind of love  
That'll be down when the world is at its worst?  
That'll cover you in kisses unrehearsed  
When you're losing ground, still tell you that you're worth  
All you're dreaming of
