

# Lianne La Havas, What You Don't Do

Heavy words, little lies  
Telling everything but the truth, the truth  
Three little words over time overheard and overused, used  
No sweet nothing could ever be turned into something new  
No grand gesture could ever be made to measure you

I know what I got and I know where we're going  
You don't need to show it, I already know it all  
It's what you don't do, it's what you don't say  
(It's what you don't do) I know you love me, I don't need proof  
It's what you don't do, the games you don't play  
(It's what you don't do) I know you love me, I don't need proof

I've been saving up my time so I could spend it all on you, on you  
All I need is to see you smile; I've forgotten how to be blue, blue

I know what I got and I know where we're going  
You don't need to show it, I already know it all  
It's what you don't do, it's what you don't say  
(It's what you don't do) I know you love me, I don't need proof  
It's what you don't do, the games you don't play  
(It's what you don't do) I know you love me, I don't need proof  
Don't tell the whole world; just wanna be your girl  
(It's what you don't do, it's what you don't do)

The closer we get, oh  
The less we need to show

I know what I got and I know where we're going  
You don't need to show it, I already know it all  
It's what you don't do, it's what you don't say  
(It's what you don't do) I know you love me, I don't need proof  
It's what you don't do, the games you don't play  
(It's what you don't do) I know you love me, I don't need proof  
Won't tell the whole world; just wanna be your girl  
(It's what you don't do) I know you love me, I don't need proof  
It's what you don't do, it's what you don't say  
(It's what you don't do, it's what you don't do)

The closer we get,  
The less we need to show
