

# Lifehouse, My Precious

Can't hold you down  
Can't hurry you up  
there's nothing I can do  
a slave to your hands

Climb up above  
your precious time  
don't worry your time  
don't hurry your mind

Where did you go  
where did you hide  
all I can do  
is watch you pass by

Climb up above  
your precious time  
don't worry your time  
don't hurry your mind

Everytime I try to take it back  
I know I don't wanna live like that  
I'll wait for tomorrow  
too tired to go the other way  
too late to wait another day  
I'm going on

Climb up above  
your precious time  
don't worry your time  
don't hurry your mind

Climb up above  
your precious time  
don't worry your time  
don't hurry your mind
