Lighthouse Family, Free

I wish i knew how it would feel to be free I wish i could break all the chains holding me I wish i could say all the things that i should say say 'em loud say 'em clear for the whole wide world to hear

I wish i could share all the love thats in my heart Remove all the bars that keep us apart And i wish you could know how it feels to be me Then you'd see and agree that every man should be free

I wish i could be like a bird in the sky How sweet it would be if i found i could fly Well i'd soar to the sun and look down at the sea and i sing cos i know how it feels to be free

I wish i knew how it would feel to be free I wish i could break all the chains holding me And i wish i could say all the things that i wanna say

Say 'em loud say 'em clear For the whole wide world to hear Say 'em loud say 'em clear For the whole wide world to hear Say 'em loud say 'em clear For the whole wide world to hear

One love one blood One life you've got to do what you should One life with each other Sister,brother

One life but we're not the same
We got to carry each other
carry each other
whoah whoah whoah whoah

I wish i knew how it would feel to be free I wish i knew how it would feel to be free
